

TORO

EVOLUTION® SERIES CONTROLLER

THE BEST EVERYDAY CONTROLLER

Reliable Performance,
Leading-Edge Design

The EVOLUTION® Series Controller is the latest in irrigation control from the innovators at The Toro Company. It is designed to meet the needs of the everyday controller... and more. We know that homeowners love the new controller layout, because they helped us to design it. More like other modern devices they use every day, users find it easier to program and understand.

Powerful Features

The EVOLUTION Controller Comes Standard with Features to Meet Your Needs

- ✓ Expandable from 4 to 16 zones
- ✓ Three independent watering schedules and one Auxiliary schedule
- ✓ Run up to 4 standard solenoids at one time
- ✓ Master Valve/Pump controls

Exclusive Capability

- ✓ Multiple Water Saving features
- ✓ Load/save programs to a USB thumb drive
- ✓ Built-in capability to measure solenoid power draw
- ✓ Grow-In feature for new plantings

Never Get Left Behind

The EVOLUTION Controller was made to evolve. As its name depicts, the EVOLUTION Controller can be easily updated with new features and capabilities. Simply download free updates from www.toro.com/evolution and update the controller using a USB thumb drive.

Simplicity at Its Best

EVOLUTION changes the game with its unique shortcut interface. By moving advanced features like multiple programs and master valve controls to a separate area, it reduces clutter and confusion for the homeowner. Use of words and phrases, instead of tough to understand symbols and numbers, make the controller more intuitive.

The Best in Class – 5 Year Warranty

Toro is so confident in the EVOLUTION that we stand behind this product with a 5-year extended warranty.

Competitive Price

Compare EVOLUTION's list price to competitive models. No other irrigation controller offers the same capability, ease of use and flexibility. (MSRP \$155 Indoor; \$185 Outdoor)
